Massar Al-Aqood Co.

We aim to be the premier platform for providing HR solutions and services to individuals, institutions, and businesses across all professional and business sectors.

Who We Are

Massar Al-Aqood Co. is a national company that aims to be the premier platform for providing HR solutions and services to individuals and organizations in all professional and business fields.

Vision:

Massar Al-Aqood Co.'s vision is to be a pioneer in the field of providing human resource solutions and services; it is the first trusted platform and the best partner in providing human resource recruitment and employment services in all activities.

Mission:

We believe that everyone deserves a decent job. Therefore, we aim to help job seekers find the right opportunities and professional environments to develop their skills and expertise. In addition, our purpose is to meet job seekers' desire to obtain the best employment services, management consulting, assessment, and training.

Objective: Massar Al-Aqood Co. seeks to provide services that suit the needs of all of our clients, and to offer the best manpower solutions that ensure attracting and transferring the required human cadres. The process of these services start from finalizing their work licenses and visas to developing and qualifying human resources.

Services:

Operation/Maintenance/Cleaning

The provision of operation and maintenance services is one of our major strengths, providing all kinds of human resources to meet the needs of our customers. We also have service contracts for towers, shopping malls, commercial buildings, warehouses, factories, etc. This is done in addition to cleaning services such as cleaning buildings, offices, hotels, and other places where this service is required as well as many other facilities.

Restaurants, Cafes and Hotels Operation

Hospitals and Clubs

Operation, maintenance, and cleaning services for restaurants, cafes, hotels, hospitals, and clubs. We provide all facilities to our clients in operating their facilities by providing manpower.
We have an experienced staff specialized in the details of day-to-day operations.

Recruitment and Manpower

We are keen to attract human capabilities to major institutions and enterprises by studying the target market to evaluate the competencies and knowledge available, as well as the institution's demands.

We then determine who is the most suited to be a member of the firm. We provide manpower in all specializations for all sectors, whether government or private. We also provide manpower in all specializations and nationalities, such as factory workers, restaurant workers, cafe workers, cleaners, and hospitality workers in all specializations.
In addition, our contracts are compliant with the applicable laws.
